When neither party is willing to make another concession to reach agreement, they are at *impasse*. Managing impasse in mediation and embracing entrenched energy gives mediators an opportunity to reframe the situation using a number of strategies. Please join us for a dynamic discussion on identifying and addressing impasse. You will learn how to apply advanced communication skills and learn a variety of approaches in breaking through impasse along with a discussion on settlement agreement templates and mediator proposals!

#### **Learning Objectives:**

- What is impasse and what kind of impasse are we dealing with?
- How do we anticipate impasse?
- How to break through impasse in mediation
- Learn valuable techniques to keep going

**Please join us for this very special event! R.S.V.P. by May 15, 2019 Email: [Rene.Ackerman@jud.ca.gov](mailto:Rene.Ackerman@jud.ca.gov)**
